

Implementing advising reforms leveraging technology: Lessons from three iPASS institutions

Agenda

- Study Background
- Overview of Interventions at three institutions
- Colleges' Implementation experiences
- Q&A

Research Partners

College Partners

FRESNO STATE

Discovery. Diversity. Distinction.

Montgomery County
Community College

UNC CHARLOTTE

Background

Technology-Mediated Advising can leverage holistic student support and practices

Degree Planning

+

Coaching & Advising

+

Early Alerts & Risk Targeting

Holistic student support is structured and delivered according to a SSIPP model.

Sustained

Support is ongoing, rather than using an “inoculation” approach.

Strategic

Services are differentiated to maximize capacity.

Integrated

Services are not viewed as stand-alone interventions.

Proactive

Services are an integral part of all students’ experiences.

Personalized

Students receive the support they need when they need it, from an individual who knows them well.

Technology can enable holistic student support

Research Objectives

- Impact analysis
 - Assess impact of mandatory holistic, integrated and sustained student support strategies that leverage iPASS technologies on student outcomes
- Knowledge development
 - Examine how colleges design and communicate iPASS interventions for consistent advisor adoption
 - Provide information to the field about the challenges and potential solutions to improve iPASS implementation

Study Design and Treatment Contrast

Randomized Controlled Trial (RCT)

Treatment (Intervention)	Control
<ul style="list-style-type: none">- Proactive engagement with iPASS tools and iPASS advising toolkit over 2 semesters- Sustained, Strategic, Intrusive and integrated, and Personalized (SSIP) advising procedures and interactions	<ul style="list-style-type: none">- Access to iPASS tools and legacy advising interactions

Who is in the Study?

Target Population

- “At-risk”
- Continuing students

Total Sample: 8000

Total Sample by College		
College	Cohort 1	Cohort 2
Fresno	602 (302 in the program)	617 (308 in the program)
MC3	2,082 (805 in the program)	948 (463 in the program)
UNCC	2,580 (1,290 in the program)	1,248 (623 in the program)
Sample (total = 8077)	5264 (2397 in the program)	2813 (1394 in the program)

Overview of Interventions at Three Colleges

Key Components of a Technology-Mediated Advising Intervention

Data-Driven
Outreach

(early alerts, self-analysis
surveys)

Advising
Session

(mandatory)

University of North Carolina at Charlotte

Intervention Component	Implementation
Data – Driven Outreach	<ul style="list-style-type: none">• Notification of enrollment in “critical progression courses” (EAB)• Early alert survey email/phone call follow-ups• Email follow-up to midterm grades (in “critical progression courses”)
Mandatory Advising Session	<ul style="list-style-type: none">• Students who receive a D/F/W on a midterm in a critical progression course required to meet with advisor• Advising interactions are guided by toolbox• Advisors record notes after each session

Week 2 Communication at UNCC

Hi {{FIRST_NAME}},

Now that add/drop is over I wanted to let you know about your **critical progression courses** for the semester. Doing well in all of your classes is important, but as the name suggests, success in these classes is critical for progression in your intended major.

Here’s a list of your classes, showing which ones are CPCs. It also shows the courses for which success services like tutoring and Supplemental Instruction are available. Take advantage of these- students like you have used them to graduate on time with better grades.

Course	Critical Progression Course?	Tutoring Available?
{{Course_1}}	{{CPC_1}}	{{TR_1}}
{{Course_2}}	{{CPC_2}}	{{TR_2}}
{{Course_3}}	{{CPC_3}}	{{TR_3}}

I would particularly recommend the resources below for new transfer students.

- * The University Center for Academic Excellence offers a range of workshops that can help you [succeed](#).
- * Check out this [video](#) resource and the [UCAE webpage](#).
- * Go to my.uncc.edu and navigate to CONNECT to make an appointment with me.
- *Here is a link to [DegreeWorks](#) and here is a link to the [Transfer Center](#).

[Summary Report](#)

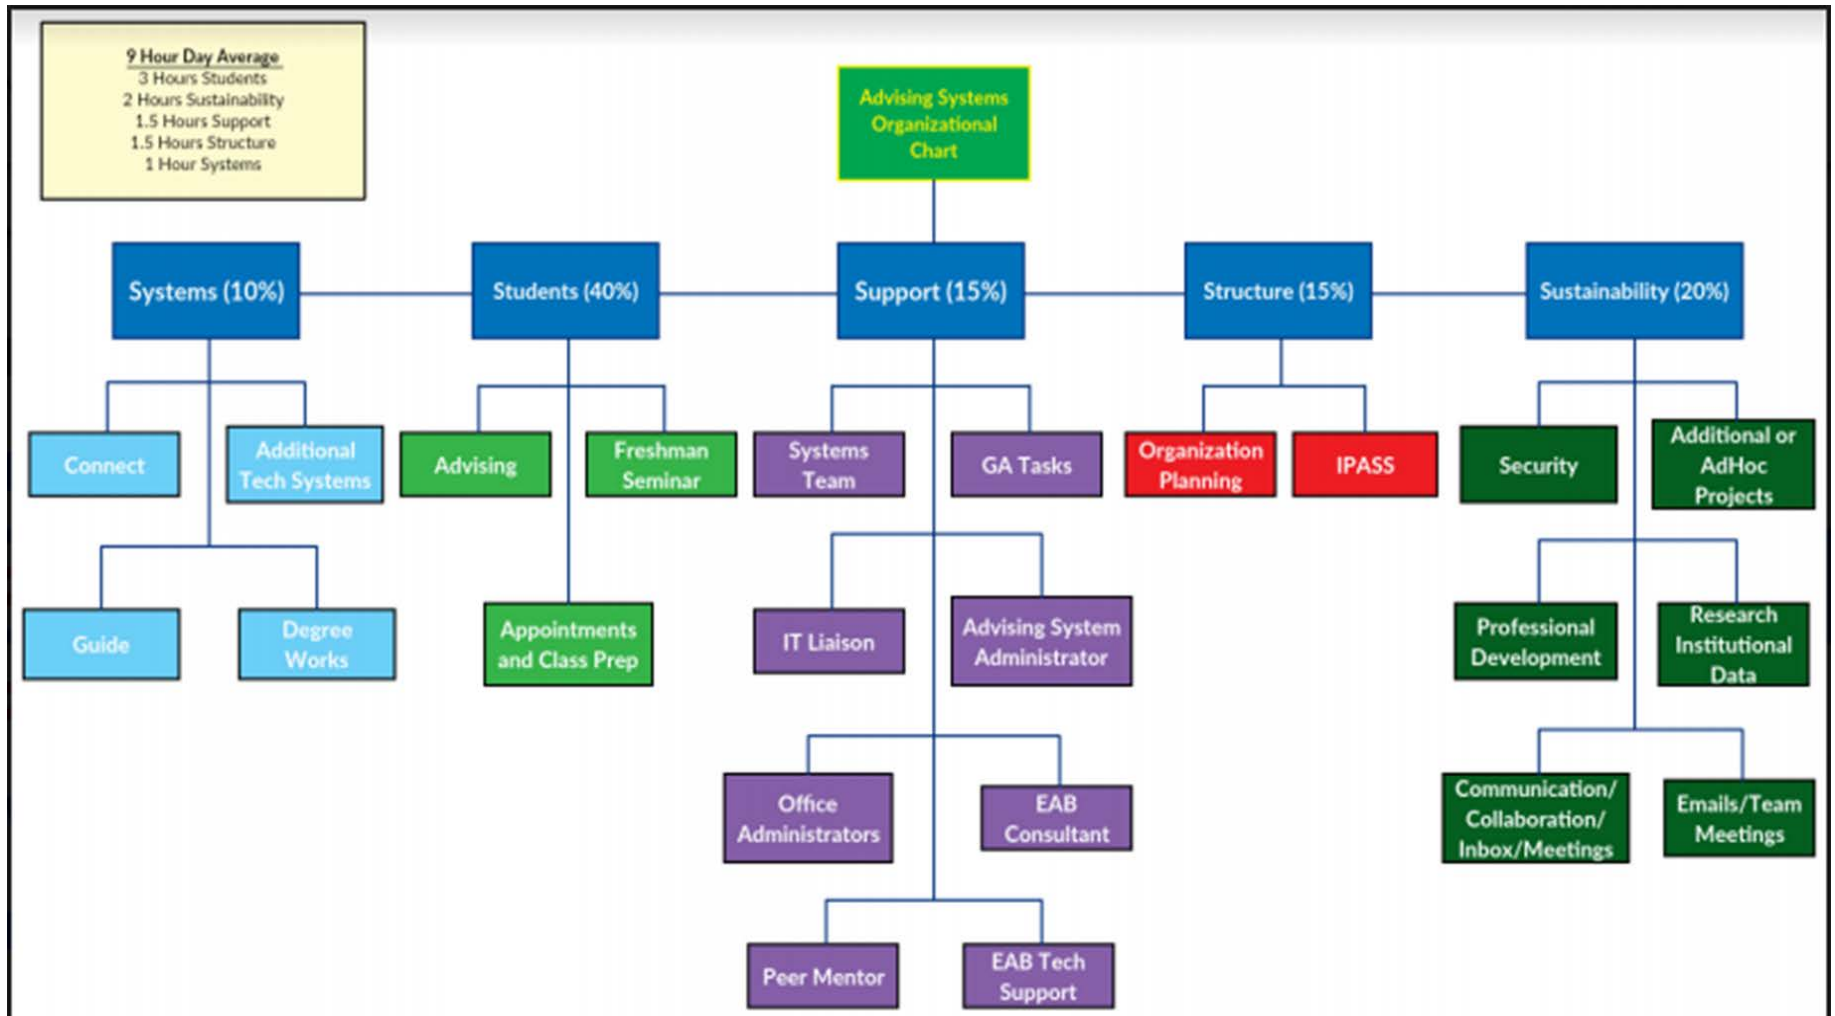

Occupation Title	Match Quality ▼	Job Zone
Audiologists	Very Strong	Zone 5
Medical Transcriptionists	Strong	Zone 3
Dentists, General	Good	Zone 5
Computer and Information Systems Managers	Fair	Zone 4
Chemical Engineers	Weak	Zone 4
1		

University of North Carolina at Charlotte

	Advising	Advising		Informatics Advising	
Advisors Staffed	16 Professional Advisors	7 Professional Advisors (4 in Center and 3 Sole Advisor for Major/Dept)	6 Professional Advisors	3 Professional Advisors	Variations in Policies, Initiatives, Advising Practices and Unit Support (Ex: Use of Early Alerts)
Caseloads	100-250 Per Caseload	250-350 Per Center Caseload and 400-500 BIOL; 900-1000 PSYC; 1000-1200 POLS/SOCY	500-600 Per Caseload	250-350 Per Case Load	Capacity Ability Variations on offices that can do AT-RISK Appointment Campaigns
Advising Holds	Mandatory Advising All Students	Mandatory Advising All Students	Mandatory Advising Certain Students	Mandatory Advising All Students	BUSN didn't require advising for all students. AT-RISK Advising Holds Added Holds to Those Advisors Already Met.
Major Assignments	No-Declared Designated Majors	Designated Majors	Designated Majors	Designated Majors	UCOL had issues with standardized language cause it didn't fit with their students.
Advisor Duration	Advise Until Declared	Advise Until Declared	Advise All 4 Years	Advise Until Declared	
Predictive Courses for Graduation in Major	All Majors Critical Progression Courses Applied (Confusing)	CLAS Critical Progression Courses Applied (Disputed)	BUSN Critical Progression Courses Applied	CCI Critical Progression Courses Applied	UCOL students undeclared so seem confusing to have CPC as undeclared. CLAS degreed with some CPC Metrics in Humanity Courses.

Lessons Learned - Incorporate Advisor Feedback Throughout the Process to Standardized Metrics

- Have Frontline Advisors Process Map (Dept. Process and Session Workflow)
 - Separate from Directors/Administrators
- Have Frontline Advisors Identify What they Like and Dislike About their Process and Why (Ex: Dislike not having control over messaging)
- Articulate and Document what they want to change and why
- Discuss and agree upon a common philosophy/mission/vision among units
- Advisors need to be educated on any philosophical shifts (Ex: W is still not a good outcome even if it is the best outcome)
- Discuss and agree upon a common initiative/outreach/process for student outcomes
- Always remind everyone of the purpose and mission when making and implementing initiatives

UNC-Charlotte iPASS Advising Process Map

California State University at Fresno

Implementation Successes

- Collaboration & Team Building across decentralized advising centers
 - Trainings, webinars, monthly meeting check ins
 - Tracking Major changes
- Creation of Advising Toolbox with note template
 - Uniformity to advisor reports
 - Guiding questions to utilize during appointments

Implementation Challenges

- Training and communication across campus
 - OIE, College Advising Centers, Financial Aid, Learning Center, Department Chairs, etc.
 - My Degree Plan Rollout delayed
 - iPASS website created, FAQ's
- Peer Mentor Role
 - Administrative to peer mentor
 - Training and development of peers

Montgomery County Community College

Implementation Success #1: Early Alert Survey

- Rationale
 - Midterm progress is contractually required
 - “too late!”

- Qualitative success

- Quantitative success
 - Spring 2017: 74% completed
 - 591 kudos
 - 402 early alerts
 - Fall 2017: 66% completed
 - 580 kudos
 - 391 early alerts
 - Spring 2018: TBD

No Feedback	Keep up the good work in class 	Academic Performance Early Alert 	Missed Work Early Alert 	Attendance Performance Early Alert 	Non-Academic Struggles Early Alert 	No longer attending flag 
✓	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
✓	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

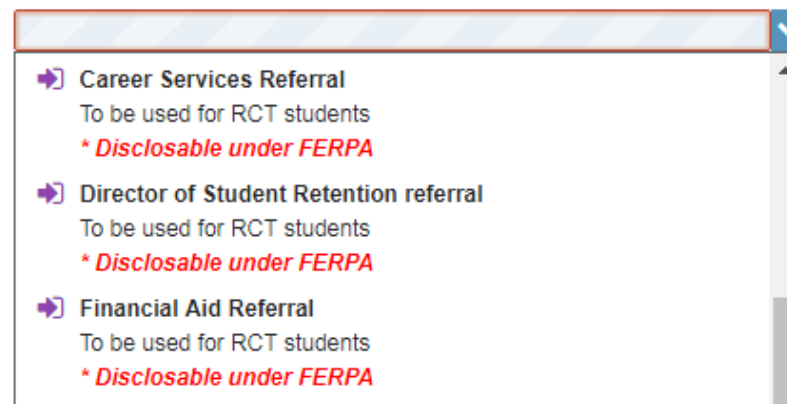

Implementation Success #2: Referrals

- Rationale
 - Connection to support services on campus
 - Proactive support connection
- Quantitative success
 - 49 referrals
- Qualitative success

* Referral

Course Context

Comment

▼

- Career Services Referral
To be used for RCT students
** Disclosable under FERPA*
- Director of Student Retention referral
To be used for RCT students
** Disclosable under FERPA*
- Financial Aid Referral
To be used for RCT students
** Disclosable under FERPA*

Implementation Challenges

- Identification of at-risk students
 - Semester 1 of each cohort identified through predictive analytics tool
 - Question of availability of data?
 - Semester 2 of each cohort required appointment based upon “triage” criteria
 - Originally tried to “catch more”
 - received a D, F, or W in the spring 2017 semester and/or
 - had a spring 2017 term GPA of 3.0 or lower and/or
 - has a cumulative GPA of 3.0 or lower
 - Realized that we needed to be more selective
 - **only those who received a D, F, or W in the fall 2017 semester**

Implementation Challenge: Identity Crisis

- A LOT has happened in the space of advising at MCCC since 2012
 - New tools
 - New processes
 - New roles
- How do we juggle all these?
- Who are we?
